CNC OPERATOR (MANUFACTURING)

Battleshield Industries Limited is a proud Canadian manufacturer of **FIRE TRUCKS AND POLICE VEHICLES**. We are currently seeking a **CNC OPERATOR (Manufacturing)**. We are committed in finding the right candidate that has the right skills and personality to grow with the business.

Anyone with no experience and interested in learning a new trade, is welcome to apply.

Key Responsibilities:

- Operate CNC machine
- Ability to read and interpret technical documents
- Produce parts for assembly operations
- Meet production goals while producing quantity and quality
- Perform daily maintenance of equipment and maintain inspection logs

Competencies/Skills:

- Ability to work independently
- Ability to frequently lift materials up to 50 lbs.
- Highly motivated, reliable team player

Assets:

- Knowledge and experience operating computerized CNC laser cutter
- Background working with sheet metal
- Ability to operate a hoist and drive a forklift

Benefits:

- Salary based on qualifications and experience – in line with current market conditions
- Group benefit package (health, dental, vision, EAP)
- Flexible working hours and a great work-life balance
- Holidays and personal leave days
- Company clothing allowance
- Quarterly staff lunches
- Continuous learning and development

*Interested applicants, kindly send resume by email to admin@battleshield.ca or via our website.
We thank all those who apply. Only those selected for an interview will be contacted.*
